Moose 300 Win Mag. is adequate
  18. Personal gear – water bottle, toiletries, knife, medication, Head Lamp, etc...
  19. 1 day pack (large enough to hold rain gear, coat camera. Etc...
  20. 1 sleeping bag – 20 + 0 degree comfort range (with stuff sack)
- WE will supply all safety equipment:** e.g. radios, first aid kits, emergency locator beacons, etc...

All outer clothing should be solid colors or camouflage.

Any of the above gear can be purchased in Anchorage. If you have difficulty walking or climbing because of arthritis, bad knees or bad ankles please advise me so I can take measures to accommodate you.

**Stay away from cotton; leave your Levi's at home.** I personally hunt in all synthetic clothing, right down to my underwear!
